

**Centre for Research & Education**  
on Violence against Women and Children

**COMMUNITY PARTNER APPLICATION  
FOR A SCOTIABANK COMMUNITY INTERNSHIP**

**Section 1:**

Please provide a brief description of the research initiative you wish to conduct, including goals and expected outcomes, and the role that a student intern would play:

**Section 2:**

Please provide the name of the supervisor for the student intern, a brief description of the supervision that would be provided and an outline of the qualifications of the supervisor:

**Section 3:**

What would be the duration of the project? What hours would you expect the student intern to work?

**Section 4:**

What qualifications are you looking for in a student intern? Please indicate which skills and experience are essential and which ones would be an asset,
