Western's Caucus on Women's Issues invites all students, staff, faculty and friends to attend a screening of the video, VOICES OF DIVERSITY: Creating a culture of safety, respect and belonging on campus on Monday, Feb. 9.

The film examines issues of discrimination, intolerance and safety on campus and is designed for anyone interested in creating inclusive working and learning environments.

The video challenges preconceived ideas about what it means to study, live and work at a Canadian university or college.

All are welcome to attend one or both of the following screenings (which include time/opportunity for discussion following the video):

Monday, February 9, 3:30 pm-5:30 pm in the McKellar Room (University Community Centre room 290)

Wednesday, February 25, 11:30 am-1:30 pm in Conron Hall (University College room 224)

For more information about the video, please visit:
